

5AM Saints

educational explorations place a dozen hens on the map to euston.
muted fireworks repeat and nuisance every visionary cycle.

hey, an extra slim mobile with a framed smile.

sweeping harmonicas spark hallucinations of brighton pier in flames.
some naked sipping celebration, swapping punk electricity and fluids.

don't forget to share.

while brewdog warmth whispers wifi and fuck me,
only licensed *english* players select the subjects and time.

lock-draft and dairy; light a blue candle camden style.

assume the visitor duvet, bleach and say goodbye to the pizza you love.
swallowing salt water, fill the living room with dry-roasted sand.

cum on; curl your glory tonight?

quizzing cardigan specialists sprout obese infatuations.
stunning eye contact freezes blitzing enthusiasm.

get giant with shady ghost children.

gogo diet acceleration sailing a sicilian ship.
gobble the queen's holy diagnosis.

where the fuck is casey?
